Q. OTHER REPORTS

A. Report from the Chair – Pfeifle – **the process of hiring a program support coordinator has been complete. Handout provided “Policy Change: C-ID Course Approval and Associate Degrees for Transfers (ADTs).” If you’re login in with the old RCCD email, send an email and I can update with correct email; but let’s wait till the end of semester. Regarding issues with COM 1R and 9R; I would reiterate justification of expanding these courses from 4 to 3 units. The committee view is that you cannot just add and R and the whole thing would change. Clarifying on who should add rational on the items, weather its Heather or myself. Dr. Steinback was in support of having a catalog committee, but did emphasis on the amount of work.**

B. Report from the AO – Jeanne Howard – **No Report**

C. Report from VPAA/ALO – Robin Steinback – **No Report**

D. Reports from Deans – **No Report**

R. Open Discussion – Fontaine – **confirm visit to BCTC for April 25, 2017. Pacheco – is there a possibility to get cross training? Honore – working on reduced load, would anyone like to shadow for at least a year, or year in a half; on assessment coordinator and TrackDat.**
