Distance Education Statement Final_11_26_2013
Approved by the Faculty Association

Method of Implementation:
Will appear in WebAdvisor as part of the TA Approval process for faculty who have course sections offered through Distance Education.
First implementation will be Spring 2014.

[check box]
I have read the *Summary of Regulations for Regular and Effective/Substantive Contact for Distance Education* and the *RCCD Guide to Recommended Best Practices to Achieve Regular and Effective/Substantive Contact in Distance Education* which clarify regular and effective/substantive contact with students for distance education courses.
